SallyAnn, please take a memo

SallyAnn needed a job to earn as much as she could before applying to the college she wanted to attend. With her father's help, she was offered a position as a personal assistant for a partner at a prestigious law firm, Mr. Desmond Hanks, paid her well. She'd been lucky to get the job – but that didn't make it any less tedious. Mr. Hanks's morning started at seven am so by the time she arrived he was already running hot. His morning briefing with her started as the bell rang at eight, and she hated it, and him, too. He treated her like any other piece of furniture, only she had a human name and it had taken him more than six months to learn it.

As was usual, SallyAnn promptly knocked on his door and let herself in, coffee in one hand and papers and notebooks in the other. For a 21-year-old, she was dressed very conservatively, but that did not hide her beauty and amazing figure, with long legs, a small waist and perfect boobs. She was smart and ambitious, but like her looks, kept those attributes secreted away. She learned how to play by the corporate rules and long ago, decided to keep to herself and her self-respect. His office was dominated by an ornate antique desk. Hanks was behind it and hushed

SallyAnn until he finished speaking to his wife on the phone. He was in his mid-forties with lawyer-perfect salt-and-pepper hair. Not an unattractive man, his handsomeness quickly disappeared as he barked orders out like a drill sergeant. His eyes were a sharp, piercing blue, but she rarely saw them.

He glanced up at her. "SallyAnn." He greeted her formally, and stood up to pace the room as usual while she read him the day's

schedule. "Sir, you have a 10:00 meeting with the board of directors to discuss last month's revenues, and you had scheduled a lunch with your wife at noon. At two, your client Mr. Cho will be in to discuss the energy lawsuit. At three..."

SallyAnn stopped speaking as she felt him stop right in front of her. She looked up from the agenda with puzzled eyes and gasped slightly as he extended his arm and felt his hand unbuttoning the top of her blouse. She froze having the button undone, he ripped his hand down the buttons as they flew across the room and he appraised her wordlessly. Her firm stomach was tight and muscular hovering just below her perfect 21-year-old breasts pressed tightly against a thin white bra. Staring at her chest, he noticed he could see the point of those small, delicate nipples through the material. He stopped and looked her square in the eyes. What did he just do? What is he expecting me to do? A thousand questions ran through her mind, but not a single answer.

"Mr. Hanks..." SallyAnn whispered. The sentence stopped there. He moved forward, encircling her with his arms and pausing to take in a deep breath from her neck. He pressed into her and

SallyAnn offered no resistance when he took her wrist and moved her hand slowly, forcefully, up and down its length

she heard the zipper at the back of her skirt being undone. As he leaned in, she felt the hard rise of his cock against the side of her thigh and gave a tiny cry of surprise. He pulled away, walking over to lock the door; and when he returned to her, she found that her skirt had fallen around her ankles and almost instinctively, she had stepped out of her shoes. She wasn't sure why. It wasn't something she would do intentionally.

"In one minute, I'm going to ask you if you would like me to leave you alone. If you say 'Yes,' then I will. I'm no rapist, SallyAnn... but you must wait one minute before you tell me you want to leave. Do you understand?" he told her carefully... lawyerly.

SallyAnn nodded meekly and Mr. Hanks stepped forward to unhook her bra. Her breasts bounced as they were set free, and she gasped again as his fingers ran expertly between and around them. By the time he reached her nipples, they had risen into hard, rosy points that tingled and throbbed. Holding her left breast with one hand, his breath blowing hard in her face, he took her right nipple between two fingers and increased the pressure until he was pinching it hard.

Biting down on her lip, SallyAnn recovered from the pain to discover a mind numbing pleasure she'd never known. Suddenly, she felt a trickle of something warm in

her most private parts. Dazed and confused, she just stood there.

Then just as suddenly as he started, he stopped. With hurrying hands, he unzipped his own trousers and dropped them to the floor. Seemingly against her will, her face dropped and her eyes widened. His cock rose aggressively from the dark hair that surrounded it. His large, hairy balls, flushed deep red, disgusting and fascinating her at once. A small bead of moisture already crowned its head, and SallyAnn offered no resistance when he took her wrist and moved her hand slowly, forcefully, up and down its length.

Reaching for her underwear, he pulled the panties down her thighs and slipped his fingers between the warm, damp lips of her pussy. He could smell her now – that creamy, musky scent of a woman aroused. As he ran his fingers along the lips, the lips parted. Once he found her clit, teasing it slowly at first, then doing all he could to drive her insane, she let out a cry and her chin fell slightly so it rested on his shoulder. After a few short moments, her entire body shuddered with orgasm and she fell against him – but he wasn't finished yet.

When his first finger reached up inside her dripping pussy she struggled against him, but a powerful arm was already around her shoulders, clinging her to him. Although she tried to resist, her hips were already bucking involuntarily against his hand. Once he slipped in the second finger, still teasing her clit with his thumb, she let out a soft moan and her cum dripped down his arm.

"Your minute's up," he murmured, still thrusting with his hand. "You can leave right now, with glowing recommendations, if you like, or if you don't want my cock inside that pussy with my finger up your tight ass..." He heard her swallow nervously, but before she could reply, he pushed another finger deep into her. "Do you want to go now?" he repeated. "Do you want to get your things and walk

SallyAnn's gasps and groans became more erotic, and he felt his own cock throbbing on the brink of an intense orgasm

out that door? Do you want your morning to end this way?" Limp and struggling with her emotions, SallyAnn mumbled quietly and gave a slight nod. She had three fingers inside her now, and she thrust and bucked against them. She spoke between erotic gasps. "I – I – I want you to fuck me..."

Removing his shirt and tie, he showed her how he wanted her to go down onto the floor on all fours. He parted her firm thighs and glanced at her tight ass before grabbing her by the waist and pulling her onto his cock. He felt her insides pulsating tightly against his cock, one thumb pushed up into her ass. SallyAnn cried out, but Mr. Hanks kept on thrusting his huge hardness inside her wet pussy. Leaning forwards, lying across her back, he grabbed her breasts hard in his hands, using them to pull himself in and out of her. She was shocked at how much she enjoyed the feeling, not only in her pussy but, of his finger in her ass.

She began to buck back against him, her breasts rolling with the motion. Suddenly, he pulls out of her and she turns to see him lying on his back on the floor, his hairy torso rising and falling with deep breaths. Sensing his anticipation, SallyAnn crawls over and takes his vertical cock in her well-manicured hands. She strokes his cock up and down, like she had been doing it for years. She takes both

balls in her left hand and squeezes them until he yelps, and then lowers her mouth onto his cock whispering to it as if to apologize for the pinch. Her tongue traces the rim of his penis head and explores the small slit before taking a deep plunge down the shaft until her lips meet his balls.

In quick glances, she sees him scrutinizing her and her techniques, but then he'll throw his head back and let her continue, unobserved. She obliges by nuzzling his balls and taking each into her cock-scented mouth. She sits up and grabs his cock by the base and escorts it back into her pussy. His cock slides easily inside her

again and he's surprised at how wet she is. Lying back he stares up at her sculptured body.

While she plunged herself up and down, he stretched out one arm and opened the bottom drawer of his desk. As soon as SallyAnn saw the dildo in his hands, she paused, but there was no time, or hesitation, or debate. Pulling her down onto him, Mr. Hanks reached around behind her, and as he pulled her down onto his cock, he shoved the dildo into her ass with a single thrust, her cry muffled by his body.

Enjoying that as well, Mr. Hanks sat up with her still on him and fucked her harder, pulling out the dildo and shoving it back in. As the movement became faster, SallyAnn's gasps and groans became more erotic, and he felt his own cock throbbing on the brink of an intense orgasm.

With her now fucking him back, her breath came out hard on his ear, her nails scratching his shoulders as she arched her back in a magnificent moment of absolute ecstasy. When he came, she rolled off him as he slipped the dildo out of her ass, and rolled on her back on the carpet, legs spread shamelessly as she stared up at him with not so innocent blue eyes.

"When did you say I was having lunch with my wife?" he asked.

"Noon," SallyAnn replied.

I think it all started early for me. I loved to (and still do) masturbate and run my fingers all over the sexy parts of my body. I'd pinch my nipples hard until they were very sore. Then playing with my pussy felt really good. I learned how to give myself multiple orgasms, and that was and is great. But, now I let guys and gals do that for me, and every one has loved playing the way they do inside my tight, moist pussy.

I promised Alex that if he came over today and helped me with chores around the apartment, I would pay him with a great dinner. Well, he didn't want dinner. He wanted a blow job. I told him I had only done a handful so I might not be very good at it. He said even better, I could learn something from it. I agreed but told him that after I finished, he would have to fuck me. He said he'd think about it!

size queens

FOR THESE BABES, IT'S MORE THE MEAT THAN THE MOTION

ALLIE – I had never heard of myself referred to as a size queen , but when I stopped to think about it, I guess I was. Now I must confess – my name is Allie – and I'm a size queen. I love big cocks and sometimes (don't hold it against me) I shun small and even medium sized cocks.

Why? Because I love cocks that can fill my pussy. I want to feel friction against my opening and inside. It's already wet down there and smaller cocks, big ones,too, sliding in and out too easily. But a bigger one will rub against my pussy lips and walls. That creates pleasurable sensations and makes me eventually cum. And that's what having sex is all about. Sensation.

When it comes to oral sex, a big cock can be a bit hard to swallow. I can only take so much into my mouth and have never deep-throated one any longer than eight inches. I'm not a big girl so I can only fit so much in. What I don't like, however, is gagging. It's much more likely with a big cock and while guys might get off hearing me gag, I don't like it. It makes me not want to suck it.

I have a few sexual partners that are pretty big. They are in my monthly rotation. I like to have at least one good big cock a week. I think one of the coolest things is to watch a limp dick becoming erect. To go from a few inches to more than eight. I find that pretty amazing. It's like watching a snake straighten up and flex. I don't know what you guys think because you live with it, but I find it fascinating and something I enjoy watching with my big dick friends.

MEGAN – My very first cock was a big one and ever since I've been hooked. I'm Megan and that happened my freshman year in college with my boyfriend. He had been wanting to fuck me ever since we met at freshman orientation but I held out for months. When we finally did it, I was shocked at the size of his cock when he pulled his pants down.

I was almost afraid to touch it, and it wasn't even fully erect. When I did touch it, I couldn't get my fist all the way around it. There was still a one-half inch gap between my fingernails touching and they were long. When he put his hand around it, his fingers overlapped by just a little.

I began stroking it and he was moaning, which was nice. But after a few minutes of that, my hand started getting a little tired. So I began using both hands. I held it like a baseball bat and there was still an inch of shaft and the head above my hands. I couldn't believe it when I focused on what I was looking at.

So then it was time to put it in my mouth. Now, I love giving head, but I found his size to be daunting. Just to get the cockhead in my mouth made my open very wide. I couldn't help but scrape my teeth across it as it went in and out. I promised my boyfriend that I would do my best, and lucky him, I had to do it a lot in order to understand how to fellate a large cock. It just doesn't come naturally, like a smaller one would.

What was pretty cool though is putting my face to the side of his big cock, and run my lips along the shaft like you would eat a cob of corn, I would do that in front of a mirror and we would laugh at how cool, and how silly it was.

As I said, I finally learned how to suck him off so he was content and I didn't hurt myself. I learned how to relax my throat muscles to take him deeper, but I still couldn't take him all the way in. He liked to hold the back of my head and fuck my mouth. I had to let my throat muscles go limp as he fucked my face. When he finally would cum in my mouth, his spurt would go right down my throat.

AVRIL – I love big cocks and I cannot lie. They fill my pussy until I cry. I want one in my ass and that's no lie. Okay, so I'm not a good poet, but you get my message. I'm a big fan of big cocks -- that means ten inches or more.

But let me preface that by saying I'm not that big a fan of big cocks if I have to suck one. It's a pain in the ass. I'd rather one in my ass than in my mouth. It's way too much work for my mouth. Big head, long thick shaft. While that may sound appealing to some, and in fantasies, it is, the reality is that a big cock is too much trouble. You can spend all day trying to deal with it.

But, I do love a big cock in my pussy. It fills it up nicely and the feelings are out of this world. They have to be to keep sex exciting throughout our lives. I think I have a g-spot way in the back of my vagina because when it gets poked by a cock in there, it sends me off the deep end. It only takes a few well placed strokes to do it.

Then there's my butt. Ouch! the first few times that I tried anal, with a real cock and not my fingers or toy, I had to start with a smaller cock just to see what it felt like and if I would even like it. The key, I learned, was to teach your sphincter muscle to relax. Once I did that, my butt was good to go. Now I really like a big one in there, too.

My girlfriend once told me that men are really just boys that have grown up but not matured. Boy, was she right! I can't believe how many guys try to get in my pants. All they want is pussy. All they want is the conquest. All they want is to dominate. But in the end, they know we control the pussy, and to get to it they have to act like a grown up.
